4TH LEGISLATIVE DAY

Perfunctory Session

WEDNESDAY, JANUARY 29, 2025

At the hour of 3:32 o'clock p.m., the House convened perfunctory session.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 74

Offered by Representative Katz Muhl:

WHEREAS, The Holocaust was the systematic, state-sponsored persecution and murder of six million European Jews by the Nazi German regime and its allies and collaborators between 1933 and 1945; and

WHEREAS, In addition to perpetrating the Holocaust, Nazi Germany also persecuted and murdered millions of other victims using similar forms of state-sponsored terror; and

WHEREAS, Antisemitism, the hatred of or prejudice against Jews, was at the foundation of the Holocaust and was a core tenet of Nazi ideology; and

WHEREAS, The persecution of Jews in Germany and German-controlled areas evolved between 1933 and 1945, becoming increasingly radical and culminating in the mass murder of six million Jewish people; and

WHEREAS, During World War II, Nazi Germany and its allies and collaborators killed nearly two out of every three European Jews using deadly living conditions, brutal mistreatment, mass shootings and gassings, and specially designed killing centers; and

WHEREAS, Prior to the formal development of a campaign of mass murder, Jews in Germany and German-controlled and aligned territories faced persecution in various forms, including public identification and exclusion, legal discrimination through antisemitic laws, organized violence, physical displacement, internment, theft, and forced labor; and

WHEREAS, Beginning in 1939, Nazi officials created ghettos in cities and towns where Jewish people were isolated, forced to live, and coerced to perform forced labor; thousands of Jewish people living in ghettos died as a result of starvation, rampant disease due to unsanitary conditions, extreme temperatures, and exhaustion from forced labor; and

WHEREAS, In 1941, Nazi leaders began the last stage of the Holocaust, a mass murder campaign involving mass shootings as well as gassings at specially designed killing centers that became known as extermination camps or death camps; the majority of Jews who had been forced to live in ghettos were murdered in mass shootings or after being forcibly relocated to extermination centers; and

WHEREAS, The Holocaust ended in 1945 when the major Allied Powers, Great Britain, the Soviet Union, and the United States, defeated Nazi Germany and its allies, moving across Europe and liberating survivors from concentration camps; and

WHEREAS, In 2005, the United Nations adopted Resolution 60/7, designating January 27 as International Holocaust Remembrance Day to mark the anniversary of the liberation of the Auschwitz-Birkenau concentration camp and extermination center and to honor the six million Jewish victims of the Holocaust and the millions of other victims of Nazism; and

WHEREAS, The year 2025 marks 80 years since the end of World War II and the Holocaust, and the United Nations Outreach Programme chose "Holocaust remembrance and education for dignity and human rights" as its guiding theme for this year; and

WHEREAS, The Holocaust shows what happens when hatred, dehumanization, and apathy are allowed to destroy individual dignity and human rights; and

WHEREAS, Holocaust remembrance safeguards the memories of survivors and their testament of life before the Holocaust of vibrant communities, traditions, hopes, dreams, and loved ones who did not survive while recognizing the humanity and dignity of the Jewish people and others who the Nazis and their collaborators sought to destroy; and

WHEREAS, Holocaust remembrance is a bulwark against the denigration of humanity and a clarion call for action to ensure respect for dignity and human rights; and

WHEREAS, Holocaust remembrance is a victory against the Nazis and their collaborators and against all who would try to continue their legacy through spreading hatred and Holocaust distortion and denial into the 21st century; and

WHEREAS, In the spirit of remembrance and education, Illinois became the first state in the United States to require that public elementary schools and high schools include Holocaust history and other cases of genocide in school curriculum; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we honor the memory of the Jewish people who were victims of the Holocaust and recognize the bravery of survivors who have shared their stories with the world; and be it further

RESOLVED, That we honor the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators; and be it further

RESOLVED, That we express gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust; and be it further

RESOLVED, That we express gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty; and be it further

RESOLVED, That we express gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945; and be it further

RESOLVED, That we urge all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again; and be it further

RESOLVED, That we urge all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

HOUSE RESOLUTION 77

Offered by Representative Harper:

WHEREAS, The American Dream has been a beacon of hope for generations; and

WHEREAS, The American Dream embodies the ideals of opportunity, prosperity, and upward mobility, promising that every person should have the chance to achieve what they themselves define as success and fulfillment through hard work and determination; and

WHEREAS, Many today feel as though the American Dream is unattainable; and

WHEREAS, The American Dream belongs to all of us, not just billionaires and multimillionaires; and

WHEREAS, Our highest accomplishments as a State and nation have been achieved when we harnessed the strengths of all people regardless of their identities to overcome the greatest of challenges; and

WHEREAS, Diversity, Equity, and Inclusion (DEI) is a centuries-old movement deeply rooted in America's founding principles, and its subsequent legacy of civil rights and social justice efforts aimed at delivering laws, policies, and initiatives have enabled America to live up to our Constitution's promises; and

WHEREAS, DEI policies, from the 19th Amendment to the 1964 Civil Rights Act to the Americans with Disabilities Act, among others, reflect the corrective legislative and legal actions taken across our nation's history to expand and guarantee access to the educational, economic, and civic obligations and capacities of our nation; and

WHEREAS, DEI principles and policies promote equal access to opportunities, foster an environment of respect and belonging, and ensure that every individual, regardless of background, can fully participate in all aspects of society; and

WHEREAS, DEI is essential to creating a society where all individuals are valued, heard, and included; and

WHEREAS, DEI is based on removing barriers to opportunity so that our merits can speak for themselves; and

WHEREAS, DEI is committed to widening pathways to the American Dream for every community so that all people can reap the benefits of shared prosperity in our nation; and

WHEREAS, Freedom of speech and expression are fundamental constitutional rights, protecting the ability of individuals to voice their ideas and opinions without interference, punishment, or retaliation by the government; and

WHEREAS, Anti-DEI activists, politicians, and corporate decision-makers who attempt to prohibit DEI infringe upon the right of individuals to freely express themselves diminish the diversity of perspectives that strengthen our society, and conflict with anti-discrimination laws; and

WHEREAS, Efforts to attack DEI are harmful to the bottom line and health of our economy; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we affirm our commitment to Diversity, Equity, and Inclusion (DEI) as an essential foundation for achieving the American Dream and fostering environments where all individuals have the freedom to be healthy, prosperous, and safe and the opportunity to realize their full potential; and be it further

RESOLVED, That we encourage local, state, and federal policymakers, educational institutions, workplaces, and other organizations to adopt and uphold DEI principles that promote inclusivity, protect freedom of expression, remove barriers, and provide equitable opportunities for all individuals to pursue their dreams.

HOUSE RESOLUTION 78

Offered by Representative Hoffman:

WHEREAS, First responders, such as firefighters, emergency medical technicians (EMTs), paramedics, and police officers, endure countless dangers and struggles day-to-day while serving their communities and providing lifesaving Emergency Medical Services (EMS); and

WHEREAS, Families and children of these brave individuals encounter their own day-to-day battles, often stemming from a lack of stability and concerns regarding their family member's safety while on the job; and

WHEREAS, According to the First Responders Children's Foundation (FRCF), data has shown that children of first responders experience considerable stress on a daily basis in relation to their parents' jobs; and

WHEREAS, In an article titled "Children of First Responders Need Our Help", FRCF President and CEO Jillian Crane attests that children of first responders face daunting mental wellness challenges, including separation anxiety, fear for parents, consistent worrying, and social isolation, among others; and

WHEREAS, When a parent is gone inconsistently, especially during important moments of a child's development, said child may experience feelings of abandonment; strong parental bonds are important to the lives and mental health of children and teenagers; when these bonds are weakened due to inconsistency, children may find it exceedingly difficult to establish strong bonds with parents, peers, other family members, or authority figures, potentially stunting their development as they reach adolescence; and

WHEREAS, Families and children of first responders, through the commemoration of a day of unity focused on their community and their particular struggles, have the opportunity to combat social isolation while finding strength in one another; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare June 1, 2025 as Unity for Children of First Responders Day in the State of Illinois; and be it further

RESOLVED, That we recognize the sacrifices made by families and children of first responders; and be it further

RESOLVED, That we recognize Yanna M. Davenport for her efforts to make Unity for Children of First Responders Day a national event; and be it further

RESOLVED, That a suitable copy of this resolution be presented to Yanna Davenport as a symbol of our respect and esteem.

HOUSE RESOLUTION 81

Offered by Representative Mason:

WHEREAS, Cardiovascular disease is the leading cause of death in women, claiming more lives than all forms of cancer combined, and yet only 44% of women recognize that cardiovascular disease is the greatest health threat they face; and

WHEREAS, Among females aged 20 and older, nearly 45% are living with some form of cardiovascular disease, and less than half of women entering pregnancy in the United States have optimal cardiovascular health; and

WHEREAS, Cardiovascular disease is the leading cause of maternal death in the U.S.; more simply put, heart disease is the number one killer of new mothers; and

WHEREAS, Overall, 10% to 20% of women will have a health issue during pregnancy, and high blood pressure, preeclampsia, and gestational diabetes during pregnancy greatly increase a women's risk of developing cardiovascular disease later in life; and

WHEREAS, Most cardiac and stroke events can be prevented through education and lifestyle changes, including moving more, eating smart, and managing blood pressure; and

WHEREAS, In 2020, strokes caused the deaths of 90,627 females, accounting for approximately 56.5% of total stroke deaths; and

WHEREAS, Women are often less likely to receive bystander CPR because rescuers may fear accusations of inappropriate touching, sexual assault, or injuring the victim; and

WHEREAS, There are significant biological differences between men and women, and clinical trials have not always adequately enrolled women or analyzed sex-specific differences in the data; as of 2020, only 38% of cardiovascular clinical research trial participants are women; and

WHEREAS, By increasing awareness, speaking out about heart disease, and empowering women to reduce their risk for cardiovascular disease, we can save thousands of lives each year; and

WHEREAS, Since 2004, the American Heart Association's Go Red for Women movement has addressed the awareness and clinical care gaps of cardiovascular disease, women's greatest health threat, and continues to make bold moves to save lives and pioneer scientific discoveries; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare February 7, 2025 as Wear Red Day in the State of Illinois; and be it further

HOUSE RESOLUTION 83

Offered by Representative Niemerg:

WHEREAS, The TRUST Act prohibits local law enforcement in Illinois from participating in immigration enforcement; the law prohibits law enforcement officers from inquiring about a person's immigration status during interactions, such as traffic stops or investigations unrelated to immigration enforcement; and

WHEREAS, The TRUST Act prohibits law enforcement from stopping, arresting, searching, detaining, or continuing to detain a person solely based on an individual's citizenship or immigration status unless presented with a valid, enforceable federal warrant, preventing a seamless relationship between ICE and Illinois law enforcement; and

WHEREAS, The TRUST Act provides that law enforcement shall not give any immigration agent access to any individual, transfer any person to the custody of an immigration agent, permit immigration agents to use facilities or equipment, or respond to inquiries made by immigration agents regarding any individual; and

WHEREAS, The TRUST Act limits state and local law enforcement's participation in federal immigration enforcement, limiting the cohesion, and reduces efficiency and effectiveness in tackling criminals that cross state borders and jurisdictional boundaries; and

WHEREAS, The TRUST Act prohibits a law enforcement agency, law enforcement official, or any unit of State or local government from entering into or renewing any contract, intergovernmental service agreement, or any other agreement to house or detain individuals for federal civil immigration violations; and

WHEREAS, The TRUST Act prevents law enforcement from performing their duties to the fullest degree, leading to unnecessary crimes and putting communities at risk; and

WHEREAS, The TRUST Act jeopardizes Illinois's federal funding, as the federal government is threatening to withhold funds from jurisdictions that adopt "sanctuary" policies or fail to cooperate with immigration enforcement fully; and

WHEREAS, The loss of federal funding will cause additional hardships on state and local budgets, affecting resources for services necessary for the citizens of Illinois; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the repeal of the TRUST Act and urge Illinois to work with federal immigration authorities to protect our citizens and State; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to Governor JB Pritzker and Attorney General Kwame Raoul.

HOUSE RESOLUTION 85

Offered by Representative Meier:

WHEREAS, The Department of Human Services (DHS), through its Office of the Inspector General (OIG), is responsible for investigating allegations of abuse and neglect that occur in mental health and developmental disability facilities and community agencies licensed, certified, or funded by DHS to provide mental health and developmental disability services operated by DHS; and

WHEREAS, The OIG is essential in assisting agencies and facilities in prevention efforts by investigating all reports of abuse, neglect, and mistreatment in a timely manner to foster humane, competent, respectful, and caring treatment of persons with mental and developmental disabilities; and

WHEREAS, In December 2024, the Office of the Auditor General released a report of the program audit of the OIG and DHS that covered FY21 through FY23; and

WHEREAS, The audit found significant problems with the quality of investigations being conducted by the OIG, causing misconduct allegations within DHS to increase and OIG to become slower to investigate complaints; this audit resulted in 12 recommendations, including improving the timeliness of investigation completion, involving interview procedure and supervisory review, determining the OIG must fulfill statutory requirements to appoint members to the Quality Care Board, and declaring the OIG and DHS should work together to identify and mitigate the bottlenecks in the hiring process and address pay structure imbalances; and

WHEREAS, The timeliness of case file reviews has worsened since the FY20 audit; during FY20, it took the OIG on average 41 days to complete a supervisory review of substantiated cases; during this audit period, the average number of calendar days to review substantiated cases for FY21 was 71 days, for FY22 was 66 days, and for FY23 was 86 days; case investigations took an average of 205 calendar days to complete during FY23 compared to an average of 180 calendar days during FY20; and

WHEREAS, The Quality Care Board (the Board) is required to monitor and oversee the operations, policies, and procedures of OIG to ensure the prompt and thorough investigation of allegations of neglect and abuse; the Department of Human Services Act requires the Board to be composed of seven members appointed by the Governor, with the advice and consent of the Senate, and two members are required to be a person with a disability or a parent of a person with a disability; and

WHEREAS, The OIG continues to show improvement in meeting the statutorily required Board membership; for example, in FY20, the Board had five members compared to having four members in FY17; as of September 10, 2024, the Board's website showed that there were seven members on the Board, meeting statutory requirements, but three members were serving on expired terms; and

WHEREAS, During the audit period of FY21 through FY23, the OIG requested to hire for 38 positions; 17 positions had been filled as of August 17, 2023, and 21 were still vacant; once position requests were posted, two positions were filled within three months, ten positions took between four and six months to fill, and five positions took between seven and 12 months to fill after the hiring request was made; and

WHEREAS, The OIG has struggled to retain and recruit employees to improve their efficiency as employees are overloaded with work and vacancies require employees to take on additional responsibilities; employees are so overwhelmed with responsibilities that the DHS State-operated facilities' 5,024 employees accumulated 1,606,962 hours of overtime during FY23; and

WHEREAS, The OIG officials stated that a lack of investigators worsens timeliness, increases caseloads, and creates detrimental effects on residents and employees; the requirement for completing cases per OIG directives is 60 working days; during the audit period, the OIG completed 42% of cases within 60 working day during FY23; however, there were also 858 cases during the audit period that took 500 or more days to complete; and

WHEREAS, The OIG cannot effectively carry out its statutory mandate of investigating allegations of abuse and neglect as these issues persist; the lower quality and longer time an investigation is conducted, the more its usefulness is diminished; all of the underlying issues must be effectively addressed to allow the OIG to perform investigations of abuse and neglect and fulfill their obligation which is imperative to ensuring the safety of residents living within State-operated facilities; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Office of the Inspector General (OIG) and the Department of Human Services (DHS) to review the audit findings and implement the recommendations listed in a timely and satisfactory manner; and be it further

RESOLVED, That we urge the OIG to work to improve the timeliness of investigative case completion by identifying the barriers that are preventing timely completion and seeking the appropriate remedies for the issues identified and recommended in the audit; and be it further

RESOLVED, That we urge the OIG to work with the necessary entities relevant to strengthen its investigation process, including State agencies such as the Illinois State Police, the Department of Children and Family Services (DCFS), and the Department of Public Health (DPH); and be it further

RESOLVED, That suitable copies of this resolution be delivered to DHS and the OIG.
